Subject: Cape Fear paper

Hey Andy,

Just an FYI. I sent the paper along to Tim B., Kevin and Andy with the recommendation that we send this draft to OW. Andy G. is out until the first week in September, so I am not sure if he'll get it/respond. I will let you know the process that we agree upon ASAP. Meanwhile, get all the paperwork together for the STICS package. So how I think it will go is that we will all review this outside of STICS then it will get entered and move quickly through that process.
